

Who We Are:

Christian Women's Job Corp of Nacogdoches began with a vision of providing hope for women in Nacogdoches who needed to be set free from generational poverty, self-doubt, and for women simply needing direction and practical job skills.

Our Program is Local

Our 12-week Employment Readiness Program is free of cost and is located right here in Nacogdoches, TX. Graduates of our program gain computer skills, self-confidence, purpose, direction, and hope for the future through Jesus.

Enroll today to learn skills for life and employment through job training and education in a Christ-centered environment.

Serve- Equip, encourage, and empower women through teaching and mentoring.

Give: help us give a hand-up, not a handout. Contact the Nacogdoches site directly to explore ways to give.

CWJC National Mission: Equipping women with job skills and life skills in a Christ-centered environment.

CWJC Nacogdoches Now a Dual-Certified Jobs for Life Site

Jobs for Life is a nationally recognized organization that provides faith-based job readiness curriculum that integrates soft-skills, a skill that employers seek. Graduates will receive both Jobs for Life and CWJC certificates upon graduation, making them highly employable.

Additional Training

Graduates of our program who desire to continue their education may apply for scholarships to attend local institutions.

Creating Hope

Our graduates become life-long members of CWJC. CWJC adds value to the community by creating self-sufficient and job-ready women who have faith, hope, and direction.
